

SWP-WebMonitor

Nahost/Nordafrika

Nr. 29/2024

SWP-Informationsservices

Jürgen Rogalski, 03.05.2024

Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

Inhaltsverzeichnis

Palestine - Un peuple qui ne veut pas mourir

Alain Gresh

"Ce qui se joue dans la guerre contre Gaza dépasse largement le cadre étroit de ce petit territoire qui connaît une des guerres les plus destructrices de l'époque contemporaine – une guerre dont la Cour internationale de justice a souligné le « risque génocidaire ». Si elle condense d'abord le calvaire centenaire du peuple palestinien, son enjeu déborde ces frontières, avec le risque d'un embrasement régional et surtout d'un approfondissement de la fracture entre le reste du monde et l'Occident. ..."

Contested Mobility Norms in Africa - Reconciling Visions, Policies and Practice

Amanda Bisong, Franzisca Zanker

"By analysing what mobility norms are prevalent in the African context (acknowledging its diversity), this report aims to shed some light on the complexity of policy-making in this field. The goal of a better understanding is to promote improved cooperation on migration partnerships between African and European partners ..."
