

# SWP-WebMonitor

## Nahost/Nordafrika

Nr. 41/2024

### SWP-Informationsservices

Jürgen Rogalski, 05.07.2024

*Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.*

### Inhaltsverzeichnis

## **> Israel**

### **Israel on the Dangerous Path to International Isolation**

Pnina Sharvit Baruch

"Israel's strength is deeply tied to its integration within the international system, but this connection is currently under significant threat. The country is confronting an unprecedented international campaign that surpasses previous challenges in its scale and intensity across political, media, and public spheres. ... Failing to effectively address this campaign poses risks to Israel's economy, national security, and ability to meet its military objectives, potentially setting back its progress on all fronts. Addressing these challenges requires fundamental changes in Israel's approach. ..."
